the provisions also risk facilitating patent abuse

although the innovation was successful, it wasn’t accomplished without a certain amount of trial and error

it should be noted that since many pharmacies are open day and night, seven days a week, pharmacy technicians are often required to work odd hours and/or weekends

thus, we must determine whether the officers' alleged gross negligence in storing the ginseng amounts to a constitutional deprivation under the fourteenth amendment

a sad sad person... actually sick and sad... go get help... at least...
